

I seem to have overlooked this listing, per Kickstarter, who have already been thanked and have consented to be listed as donors.

Hampson Sisler  
John W. Lanza  
Stephen Feinstein  
Nancy F. Regalado  
'private'  
Sara Seiden  
Lucy F Trabulus  
Marjorie Naughton

I regret any distress or inconvenience caused by this oversight.

In some cases a check or credit per Amazon reverted to a different name from the donor, which occurred to us as well!

Thank you all,  
Sigmund Rosen
